

# Breezeswept Beach Estates

Welcome to the neighborhood!

We are so pleased to call you 'neighbor' and we're certain you are going to enjoy the tropical weather, beautiful water and relaxed lifestyle here on Ramrod Key. We truly do live in paradise!

The Breezeswept Beach Estates Civic Association (BBECA) is your partner in getting the most out of your new community. Since its beginning in 1975, BBeca has pursued its mission to promote a collegial atmosphere of neighbors helping neighbors, foster our island lifestyle, and enhance the property values of our community through projects that benefit all members.

The Association has several ongoing projects and has recently:

- Improved the safety in the channel through installation of new channel markers, piling repair, and new signage
- Increased maneuverability in the main canal by trimming the mangroves
- Replaced the entrance sign after damage from a traffic incident
- Trained volunteers who conduct ongoing testing of canal water quality

These projects are possible only through the support of our members. As a member of BBeca, you will have an opportunity to participate in great social events; receive pertinent information through the website, electronic communications and a newsletter; have a voice on issues that impact your community through membership meetings; and access the Members Only section of the web site including the Directory of Members.

Plans for the coming year include several social events and membership meetings. Please join us! See the attached Membership Application for more details on how to become a member. You can also learn more about the Association and membership at [www.bbeka.org](http://www.bbeka.org). We look forward to hearing from you and seeing you at an upcoming member event!

Sincerely,

***The BBeca Board of Directors***
